Segenswelle
“Waves of Blessing”

“**Segenswelle**” is based at Market Bosworth, on the beautiful and quiet Ashby Canal. Ideal for a day to get away from it all, and relax, get to know other people (or get to know them better) and enjoy the day’s retreat theme

The boat is electrically powered: so it is nice and quiet; and ecologically friendly!

It’s well **equipped galley** is all electric and provides facilities for folk to make themselves drinks, or make themselves lunch. (We do not provide food on board, but can arrange for a local cafe to make up some very nice lunches. (Ask for the menu for the day)

The **retreat leaders** usually can provide someone to talk to, (and depending on circumstances) the **Community Chaplain** may well be on board..

Retreats can be on all sorts of subjects from “Faith Retreats” ie Bible themes (or exposition), prayer or the Christian Life: To such subjects as Nutrition, and the local Ecology.

There is no formal charge but we do ask for a donation (there is a guidance figure if you want to use it)

“**Segenswelle**” is owned and run by **Abundance 4 Living** whose objective is “supporting community” and help to build relationships.
